Enroll in the Chromebook Insurance Program

Exeter School District

Parent,

We are excited to kick off this school year with the 1:1 Chromebook teaching and learning initiative. Going 1:1 with technology will provide every student with their own modern learning tool, a Chromebook.

Enroll in the Program

Exeter Schools is partnering with One2One Risk Solutions to provide risk management administrative services for our 1:1 initiative. Please visit "www.one2onerisk.com" to enroll in the program.

(Please see form included in this packet for more detailed instructions)

You will be prompted for the following information:

State | School District | School | Student ID Number

Agree to the Terms and Conditions

You will be responsible for protecting your assigned device from loss or damage. If an accident or loss should occur, Exeter Schools will share the responsibility for the financial loss at 50% of the cost of repair or replacement. In exchange for this damage waiver, the Exeter School District requires an annual participation fee of \$10.00. For families with multiple children, there is a maximum annual fee of \$15 per family.

Those that do not have internet at home, or need assistance in enrolling the device, please visit the elementary office and we will set you up on a computer and/or walk you through the process. Participation in the insurance program is an important part of the 1:1 learning experience.

******Those that do not enroll will not be able to take their district issued Chromebooks off school grounds for home use.***
